Negotiated transportation rates are exclusive of all applicable taxes, facilities charges, and imbalance penalties. The Customer agrees to elect transportation service and to secure interstate transportation deliveries to the Company's city gate. The Customer agrees to consume natural gas in lieu of alternate fuel except in the event of curtailment by the Company.

The term of this negotiated rate commences April 1, 2010 and ends March 31, 2011. The negotiated rate applies to all volumes of gas delivered for the Customers' Rate 214 service with the exception of approved emergency gas deliveries as provided in Rate Schedule 206 that are in effect during the subject months.

Company reserves the right to suspend gas delivery service to Customer on any day when, in the Company's sole discretion, its operating conditions are such that the suspension of service is necessary. Upon suspension of service, Customer will no longer be entitled or obligated to receive service under this agreement until the resumption of authorized service. The Customer will resume the use of natural gas hereunder at the earliest possible time after the resumption of gas delivery service by the Company.

Except as may be expressly modified herein, the provision of natural gas services hereunder shall be governed by, subject to and in accordance with all relevant provisions of the Company's approved tariffs and general terms and conditions of service on file with the Public Service Commission of South Carolina, including any approved changes thereto which may occur during the term of this agreement, as well as any applicable orders, rulings or regulations of that Commission."

This offer expires on March 31, 2010 if this letter agreement is not executed and returned to Piedmont by 5:00 pm EST on that date. A confirmation will be returned to you within 5 business days confirming Piedmont's receipt.

By signing below, please indicate your acceptance of these terms and confirmation that the offered rate is required to be competitive with alternate fuels available for consumption during the term of this offer.

Sincerely,

Carol Suttles
